| • Flood Elevation Certification | • No Net Loss (Shoreline) |
| • Soil Management Plans | • Habitat Management Plan |
| • Engineered Drainage Plans | • Shoreline, wetland, or stream habitat report |
| • Engineered Drainage Report | • Geotechnical Report |
| • Infiltration Test Worksheet | • Wetland Delineation Report |

Fee Information

Impact Fees (New Homes Only)

Impact fees are charges authorized by Chapter 82.02 of the Revised Code of Washington (RCW) and imposed on new development activity that creates additional demand and need for public facilities. Kitsap County, in accordance with Kitsap County Code Title 4, Section 4.110, collects the impact fees for schools, roads and parks.

This fee can be deferred and paid prior to requesting your final building inspection.

Would you like to defer your impact fees?

Yes

First Half/Second Half of Payment

Once DCD sends you an email notifying you of the required fees, the first half of the permit fees will be due. Once the first half has been paid, the second half will be added to the permit and must be paid prior to permit issuance.

How To Pay

Fees are due before permit can be reviewed. Call 360-337-5777 or email help@kitsap1.com for a permit fee estimate.

Accepted forms of payment:

- Electronic Checks - \$1.00 flat fee per electronic check
- All Major credit cards - a Third Party convenience fee will apply
- Cash
- Check/Cashier's Check- Checks payable to Kitsap County Department of Community Development

Project Information

Blue Address Signs are Available, would you like to purchase one?

Yes

Select a blue address sign option:

Pick up my blue address sign at the DCD Office -
\$9.25

Tree Clearing for project

Do you have to clear any trees for your project?

Yes

Please indicate clearing limits on your site plan. Clearing limits are the boundary around trees and shrubs you are removing for your project.

Is the estimated volume of your tree clearing over 5,000 board feet?

No

How do I calculate this?

5,000 board feet is approximately 1.5 logging truck loads. Ask your arborist or contractor for this estimate if you are unsure.

The clearing for this project will be reviewed and inspected with this building permit.

New

Road Approach/Driveway Material:

4" Crushed rock gravel (CSTC)

Road Name the driveway/approach is on:**Nearest Crossroad:**

Westgate Rd

Old Frontier Rd

How many residences are served by approach/driveway?

1

Driveway Kitsap County Code requires three parking spaces (20' x 9' each) per single family residence. This does not include the garage (see below for further detail and code reference).

Parking Spaces are shown on site plan

Information Regarding Accessing Via an Unmaintained Right-of-Way

If access to your building site crosses an unmaintained county road, a covenant is required per Kitsap County

Code Chapter 11.36.060(3). The covenant must be reviewed by the Department of Community Development

and recorded prior to the final of your Building Permit. If your Road Approach requires a covenant you will be

notified during the Building Permit review process.

Sewer Manhole

Section 710.1 of the Uniform Plumbing Code States:

Where a fixture is installed on a floor level that is lower than the next upstream manhole cover of the public or

private sewer serving such drainage, piping shall be protected from backflow of sewage by installing an approved type backwater valve.

Is your residence below the elevation of the upstream manhole?

No

Determining Zone

Select the zone of your parcel?

Rural Residential (RR)

You selected **Rural Residential**. Details applicable to your zone can be found [here](#). (Allowed uses, density information, setbacks, etc.)

Definitions:

Lot Coverage: Lot coverage is the percentage of the total lot area that is covered by buildings.

Impervious Surface: Examples - Roof Tops, Walk ways, Patios, Driveways, Parking lots, Gravel Roads

For full definition, please see [Kitsap County Code 17.110.367](#)

Determining Setbacks

Please see Residential Setbacks [Brochure #47](#) to determine the setbacks for your lot, and provide them below:

Front Setbacks (True Front has driveway access)

50

Side Setbacks

20

Rear Setbacks

20

Legal Lot Determination

All properties that propose a new residence are reviewed for a legal lot determination (or how your lot was created). To verify the following, you can look on your tax description, one way to locate this description is through [Kitsap County Parcel Search](#).

Choose which applies to this parcel
