---

**Please select the type of basic plan:**

Using an Approved Basic - Single Family Residence

---

## Required Submittal Items

---

**Your permit will not be reviewed until these items are uploaded to the Online Permit Center**

1. Required Questionnaire (this document)
2. Site Plans (if new septic system, use septic design) - would you like to see helpful hints?  
No
3. Sewage Disposal - Select one of the following and provide documentation detailed in 5b.  
Existing Sewer

**Existing Sewer Submittal Documentation: Contact Kitsap Public Health District:**

**Permit Number: 20-02212**

<http://www.kitsappublichealth.org/>

- Building Clearance for Sewered properties

#### **4. Water Supply**

Public Water System

**Water Provider Name:**

Silverdale Water District

**5. Stormwater Documentation - Complete the [Stormwater Worksheet](#), which will determine Stormwater Submittal items that will be required for your project**

#### **6. Letter from Engineer and/or Architect allowing use of basic plan submittal**

Building permits approved utilizing a basic that will be constructed on an individual lot shall be accompanied by a site specific letter from the designer and Engineer of Record (when applicable) that states the building design is appropriate for the lot. For buildings being constructed in a plat/subdivision, a blanket letter; that identifies all the lots, may be substituted for site specific letters. A copy of the plat map showing the lot locations shall be included in the blanket letter.

#### **Note:**

**Construction Plans, Engineered Plans, Engineered Calculations, and Energy Code Worksheet (unless modified) do not need to be provided by applicant, DCD will attach these items to your permit from the approved basic permit.**

---

## **Submittal Questions**

**Are you the owner of the property?**

---

## Utilities and Approach/Driveway:

**Is a power line already constructed to your building site?** **Power Provider Name:**  
Yes Puget Sound Energy

**Are any other utilities already installed on the building site:**  
Gas

**Provider Name(s):**  
Cascade Natural Gas

**Road Approach/Driveway Type:**  
New

**Road Approach/Driveway Material:**  
Asphalt

**Road Name the driveway/approach is on:**  
NW Cannon Circle

**Nearest Crossroad:**  
Dickey Rd NW

**How many residences are served by the approach/driveway?**  
1

**Driveway: Kitsap County Code requires a minimum of 540 square feet of parking for historical lots or lots with no standing requirements. For subdivisions 360 square feet of parking must be located on site.**  
Parking Spaces are shown on site plan

### **Information Regarding Accessing Via an Unmaintained Right-of-Way**

If access to your building site crosses an unmaintained county road, a covenant is required per Kitsap County

Code Chapter 11.36.060(3). The covenant must be reviewed by the Department of Community Development

and recorded, prior to the final of your Building Permit. If your Road Approach requires a covenant you will be

notified during the Building Permit review process.

---

### **Lender Information:**

**Does construction financing cost exceed \$5,000?**

No

---

### **Sewer Manhole**

Section 710.1 of the Uniform Plumbing Code States:

Where a fixture is installed on a floor level that is lower than the next upstream manhole cover of the public or

private sewer serving such drainage, piping shall be protected from backflow of sewage by installing an approved type backwater valve.

**Is your residence below the elevation of the upstream manhole?**

No

---

### **Legal Lot Determination**

All properties that propose a new residence are reviewed for a legal lot determination (or how your lot was

created). To verify the following, you can look on your tax description, one way to locate is through [Kitsap County Parcel Search](#).

**Choose which applies to this parcel**

Plat

---

## Determining Setbacks

Please see Residential Setbacks [Brochure #47](#) to determine the setbacks for your lot, and provide them below:

Front Setbacks (True Front has driveway access) 20 foot      Front Setbacks (Additional fronts: adjacent roadways/private easement)

Side Setbacks  
17 & 8 foot

Rear Setbacks  
34 foot

## Contractor Contact Information

Are you currently or will you be working with a contractor for your project?

No

**Please Note: By clicking no, you have confirmed you will be performing the lead activities on the project and acting as your own general contractor (owner builder) and meet an exemption listed under [RCW 18.27.090](#)**

## Additional Contacts:

Do you have additional contacts you would like to add to your project, such as Contractors, Architects, Engineers?

No

**Once complete, please click “create PDF of Complete Questionnaire” and you will be sent an email copy for your records. After creating your PDF, make sure you have all the required submittal items listed before starting your online**

permit.

**Please note: We cannot review your permit until all the required items on the submittal list are uploaded.**
