 - Engineered Drainage Plans
 - Engineered Drainage Report
 - Infiltration Test Worksheet
 - No Net Loss (Shoreline)
 - Habitat Management Plan
 - Shoreline, wetland, or stream habitat report
 - Geotechnical Report
 - Wetland Delineation Report
-

Fee Information

Impact Fees (New Homes Only)

Impact fees are charges authorized by Chapter 82.02 of the Revised Code of Washington (RCW) and imposed on new development activity that creates additional demand and need for public facilities. Kitsap County, in accordance with Kitsap County Code Title 4, Section 4.110, collects the impact fees for schools, roads and parks.

This fee can be deferred and paid prior to requesting your final building inspection.

Would you like to defer your impact fees?

Yes

First Half/Second Half of Payment

Once DCD sends you an email notifying you of the required fees, the first half of the permit fees will be due. Once the first half has been paid, the second half will be added to the permit and must be paid prior to permit issuance.

How To Pay

Fees are due before permit can be reviewed. Call 360-337-5777 or email help@kitsap1.com for a permit fee estimate.

Accepted forms of payment:

- Electronic Checks - \$1.00 flat fee per electronic check
- All Major credit cards - a Third Party convenience fee will apply
- Cash
- Check/Cashier's Check- Checks payable to Kitsap County Department of Community Development

Project Information

Blue Address Signs are available, would you like to purchase one?

No

Tree Clearing for project

Do you have to clear any trees for your project?

Yes

You must indicate clearing limits on your site plan.

Clearing limits are the boundary around trees and shrubs you are removing for your project.

Is the estimated volume of your tree clearing over 5,000 board feet?

No

How do I calculate this?

5,000 board feet is approximately 1.5 logging truck loads. Ask your arborist or contractor for this estimate if you are unsure.

The clearing for this project will be reviewed and inspected with this building permit.

Is a power line already constructed to your building site?

No

Are any other utilities already installed on the building site? Check all that apply:

None

Road Approach/Driveway Type:

New

Road Approach/Driveway Material:

Asphalt

Road Name the driveway/approach is on:

President Point

Nearest Crossroad:

NE Eckern Ln

How many residences are served by approach/driveway?

1

Information Regarding Accessing Via an Unmaintained Right-of-Way

If access to your building site crosses an unmaintained county road, a covenant is required per Kitsap County

Code Chapter 11.36.060(3). The covenant must be reviewed by the Department of Community Development

and recorded prior to the final of your Building Permit. If your Road Approach requires a covenant you will be

notified during the Building Permit review process.

Lender Information:

Does construction financing cost exceed \$5,000?

No

Sewer Manhole

Section 710.1 of the Uniform Plumbing Code States:

Where a fixture is installed on a floor level that is lower than the next upstream manhole cover of the public or private sewer serving such drainage, piping shall be protected from backflow of sewage by installing an approved type backwater valve.

Is your residence below the elevation of the upstream manhole?

No

Determining Zone

Not sure how to locate your zone?

Watch [this video](#) to learn how.

Select the zone of your parcel?

Rural Residential (RR)

You selected **Rural Residential**. Details applicable to your zone can be found [here](#). (Allowed uses, density information, setbacks, etc.)

For this Zone: Kitsap County Code requires three parking spaces (20' x 9' each) per single family residence. This does not include the garage

Parking Spaces are shown on site plan

Determining Setbacks

Please see Residential Setbacks [Brochure #47](#) to determine the setbacks for your lot, and provide them below:

Front Setbacks (True Front has driveway access)	Front Setbacks (Additional fronts: adjacent roadways/private easement)
20	5

Side Setbacks

Rear Setbacks

Legal Lot Determination

All properties that propose a new residence are reviewed for a legal lot determination (or how your lot was created). To verify the following, you can look on your tax description, one way to locate this description is through [Kitsap County Parcel Search](#).

Choose which applies to this parcel

Additional Contacts:

Contractor Contact Information

Are you currently or will you be working with a contractor for your project?

No

Please Note: By clicking no, you have confirmed you will be performing the lead activities on the project and acting as your own general contractor (owner builder) and meet an exemption listed under [RCW 18.27.090](#)

Are you working with an Engineer for your project?

No

Are you working with an Architect for your project?

No

Do you have additional contacts you would like to add to your project, such as Contractors, Authorized Agent, Owner, etc.?

No

Once complete, please click “create PDF of Complete Questionnaire” and you will be sent an email copy for your records. After creating your PDF, make sure you have all the required submittal items listed before starting your online permit.

Please note: We cannot review your permit until all the required items on the submittal list are uploaded.
