Instruction Acknowledgement

I agree

Filling out this form does not create your online permit.

Follow the steps below:

Step #1: Fill out the form below and use as your required submittal items checklist.

Step #2: When complete, click "Email me my completed Questionnaire" at the bottom of the page, or save to resume later

Step #3: Download your completed form or access your email to save the completed questionnaire to your computer

Step #4: Log in to the Online Permit Center to apply for your permit and upload required submittal items

For full instructions on applying for your permit, visit [Online Permit Resource Page](#).

Please select the type of basic plan:

Using an Approved Basic - Single Family Residence

Required Submittal Items

Permit Number: 20-04001

Your permit will not be reviewed until these items are uploaded to the Online Permit Center

1. Required Questionnaire (this document)

2. Site Plans (if new septic system, use septic design) - would you like to see helpful hints?

No

3. Sewage Disposal - Select one of the following and provide documentation detailed in 5b.

Existing Sewer

Existing Sewer Submittal Documentation: Contact Kitsap Public Health District:

<http://www.kitsappublichealth.org/>

- Building Clearance for Sewered properties

4. Water Supply

Public Water System

Water Provider Name:

West Sound Utility

5. Stormwater Documentation - Complete the [Stormwater Worksheet](#), which will determine Stormwater Submittal items that will be required for your project

6. Letter from Engineer and/or Architect allowing use of basic plan submittal

Building permits approved utilizing a basic that will be constructed on an individual lot shall be accompanied by a site specific letter from the designer and Engineer of Record (when applicable) that states the building design is appropriate for the lot. For buildings being constructed in a plat/subdivision, a blanket letter; that identifies all the lots, may be substituted for site specific letters. A copy of the plat map showing the lot locations shall be included in the blanket letter.

Note:

Construction Plans, Engineered Plans, Engineered Calculations, and Energy Code Worksheet (unless modified) do not need to be provided by applicant, DCD will attach these items to your permit from the approved basic permit.

Submittal Questions

Are you the owner of the property?

Yes

Does the driveway use an easement to get onto the County Road?

No

Is your project in Manchester or Illahee?

No

Is the proposed structure equal to or more than 5,000 square feet?

No

Are fixture options changing from the approved established basic permit?

No

***By checking this box, you are acknowledging that if you do not upload all required permit documents the processing of your permit will be delayed.**

Submittal Acknowledgement

I agree

New

Impact Fee Information

Impact Fees (New Homes Only)

Impact fees are charges authorized by Chapter 82.02 of the Revised Code of Washington (RCW) and imposed on new development activity that creates additional demand and need for public facilities. Kitsap County, in accordance with Kitsap County Code Title 4, Section 4.110, collects the impact fees for schools, roads and parks.

This fee can be deferred and paid prior to requesting your final building inspection.

Would you like to defer your impact fees?

Yes

Blue Address Signs are Available, would you like to purchase one?

No

Brief description of project and use

New SFR, use of basic plan 1620

Lender Email

Sewer Manhole

Section 710.1 of the Uniform Plumbing Code States:

Where a fixture is installed on a floor level that is lower than the next upstream manhole cover of the public or private sewer serving such drainage, piping shall be protected from backflow of sewage by installing an approved type backwater valve.

Is your residence below the elevation of the upstream manhole?

No

Legal Lot Determination

All properties that propose a new residence are reviewed for a legal lot determination (or how your lot was created). To verify the following, you can look on your tax description, one way to locate is through [Kitsap County Parcel Search](#).

Choose which applies to this parcel

Plat

Determining Setbacks

Please see Residential Setbacks [Brochure #47](#) to determine the setbacks for your lot, and provide them below:

Front Setbacks (True Front has driveway access)	Front Setbacks (Additional fronts: adjacent roadways/private easement)
20	

Side Setbacks	Rear Setbacks
5	10

Additional Contacts:

Do you have additional contacts you would like to add to your project, such as Contractors, Architects, Engineers?

No

Clicking the "Create PDF of Complete Questionnaire" will email you a complete copy. If you are not finished, click the "Save" button to receive a link for you to finish later.

This does not create your online permit.
